Vehicle Description

Rincon is a custom-made masterpiece crafted by Mercedes-Benz Expert Upfitter, Vanspeed, in 2021. The van sits on the sought-after (no longer available) 4x4 3.0L Turbo Diesel Sprinter Cargo Van chassis. It remains in great condition and has been inspected by a certified Mercedes-Benz technician every 90 days. With no expense spared, this vehicle cost ~\$230,000 to complete, with all receipts available upon request. *THIS VAN IS PRICED TO SELL* Since purchase, it has been stored and professionally managed onsite at Vanspeed's headquarters in Orange County, CA. Boasting only ±30,000 miles on the odometer, truly is a one-of-a-kind purchase opportunity. Due to our corporate relationship with Vanspeed, the new owner will inherit the following warranties for the ultimate peace of mind: -A new 1YR / 12,000 mile warranty on craftsmanship related to the Vanspeed buildout (beginning at the time of purchase). -The existing Mercedes-Benz Extended Limited Warranty on the chassis (5YR / 100,000 miles)*Cushions have been newly upholstered and shows like new. We are selling Rincon in accordance with our business model, which recycles our fleet every three years. Like most of the vehicles on this platform, this was a rental vehicle; however, buyers can rest assured that all miles were gentle due to our strict no-off-roading, no-festival, no international travel, and no-pet policy. When rented, this vehicle earned \$425 per night, offering a potential opportunity for the new owner to generate income and offset costs.VEHICLE SPECSINTERIORSleeping Capacity: 2 Adults + Small ChildQueen Bed, newly upholsteredRemoveable Third Seat (Leather, Swivel Captains Chair)Hot Air Heater (Diesel)Removeable Lagun Dining Table (behind Drivers Seat)MicrowaveHertz Back Door Speakers w/ Auxiliary Battery Switch (run music without having car on)Second Dining Area with Convertible Bed/Bench Power Outlets ThroughoutAmple Overhead & Lower StorageMaxair Roof Fan PackageRear Door Bug ScreenPop-out Capsules for Extended-Length Sleeping by Vanspeed85L Refrigerator/Freezer ComboKitchen Sink with Hot WaterTwo-Burner Induction CooktopConcealed iPad/Tablet Mount Dimmable Interior LED Lighting SystemPOWER(2) Relion Lithium Batteries for a total of 400 AH(2) Zamp Obsidian Series Solar Panels2000w Xantrex inverter/chargerShore Power Hookup OptionCHASSISMercedes-Benz Sprinter (2021)Constructed by Vanspeed Shop, a Mercedes-Benz Expert Upfitter144 Wheelbase3.0L V6 Turbo DieselAutomatic Transmission4x4 DrivetrainHigh Roof10.25 MBUX Touchscreen Multimedia SystemApple CarplaySeats: Heated, Swivel, ElectricNavigation + Cruise ControlBlind Spot AssistActive Lane Keeping AssistActive Distance Assist DistronicParking Package 360 Degree CameraFuel Tank Capacity: 24.5 galEXTERIORVANSPEED Dakar Roof Rack w/ 6 KC Round LightsVANSPEED Side LadderVANSPEED Side Steps (Passenger + Driver)VANSPEED Surf HooksOWL VANS Passenger SherpaOWL VANS Rear Tire CarrierOWL VANS Sherpa Poles for Bike Mount (brand new, not yet installed)BACKWOODS Large Exterior Gear BoxBACKWOODS Front Bumper w/ Bull BarBACKWOODS Rear BumperFIAMMA Awning TERRA WAGON Fender FlaresMatte Black Vinyl Wrapped AccentsCampsite Roof Rack Side LightsUpgraded, Exterior Mounted 20G Grey Water TankUpgraded, 40G Fresh Water TankL-Track Mounting Strips (Roof)Black Rhino Arsenal WheelsBF Goodrich K02 All-Terrain TiresOutdoor Hot Shower / Wash Station
